Worth the wait! This home is very special so be prepared when it comes on the market in March! Rarely does a home like this come available with almost 30 acres (most of which is fenced pasture), ride or hike directly into Patuxent River State Park, fantastic 8 stall center aisle barn with large tack room, wash stall and hay storage, riding ring and a well-maintained home. As you drive down the long private driveway you can feel the cares of the world melt away. The home is tucked under old stand trees with open views across the pastures. When you enter the home you are greeted by the large family room dining room combination with picture windows and soaring ceilings which make the space bright and warm. Adjoining this room is the eat in kitchen with table space large enough for a table of ten. On the other end of the home is the master bedroom with a large picture window so that the first thing you see when you wake up every morning and before you go to bed at night are the amazing views of the pastures. Also on this level is another bedroom and a large office that was a bedroom in the past. Pass through the large mud room (perfect for the farm lifestyle) and ascend the extra wide staircase to the upper-level living space. Equipped with an eat in kitchen, bedroom and fantastic living area with views of the entire farm this could be an in-law suite, au pair apartment, adult child space, rental income, farm manager apartment, master suite, whatever suites your needs! The

basement is a wide-open canvass that can become whatever you imagine. The extra tall 8 stall center aisle barn has matted stalls, hay storage area, a tack room and a wash stall. The pastures are divided into 2 large pastures and 2 smaller pastures. Three board fencing on the perimeter and interior fence lines. Enjoy hacking out into the park or ride in your own 160x80 sand and blue stone arena. This home is ready for you to bring your dreams to life!
